

RE9 Advanced®

PRODUCT NAME	BENEFITS	DIRECTIONS
Step 1: Smoothing Facial Cleanser	Crème cleanser provides effective smoothing and renewing of the skin surface for soft, supple skin.	Use in the morning and in the evening. Moisten skin and apply a small amount to face and neck. Gently massage in circular motions. Rinse with warm water. Follow with toner.
Step 2: Regenerating Toner	Antioxidant-rich, pH-balanced mist with vitamins A, C and E regenerates skin tone and firmness to deliver younger-looking skin.	Use in the morning and in the evening after cleanser. Apply a small amount to the face and neck by misting or using a cotton ball. Do not rinse after application.
Step 3: Intensive Renewal Serum	A powerful blend of clinically proven, collagen-supporting ingredients that visibly firms and lifts skin, while diminishing the appearance of fine lines.	Apply evenly over the entire face and neck in the morning and in the evening. Follow with day moisturizer with SPF in the morning and night crème in the evening.
Step 4: Corrective Eye Crème	Exclusive blend supports collagen, helps reduce the appearance of puffiness and diminish dark circles.	Gently apply around the eye area morning and evening.
Step 5 Day: Restorative Day Crème Broad Spectrum SPF 20 Sunscreen	High concentrations of advanced moisture-enhancing ingredients support collagen, and protect and restore skin's youthful appearance.	Apply generously and evenly over the entire face and neck before sun exposure, and as needed.
Step 5 Day: Extra Moisture Restorative Day Crème Broad Spectrum SPF 20 Sunscreen	Uniquely formulated for drier skin, this ultra-hydrating crème features high concentrations of moisture-enhancing ingredients that support collagen, and protect and restore skin's youthful appearance.	Apply generously and evenly over entire face and neck before sun exposure, and as needed.
Step 5 Night: Night Repair Crème	This ultra-hydrating blend of botanicals and concentrated vitamin C supports collagen and helps to restore a youthful appearance.	Apply a generous amount to face and neck at night, after the application of serum.
Collagen Support Dietary Supplement	Support collagen production and skin's natural defense system with this exclusive blend of nutrients. With excellent sources of vitamins A, C, D, E and zinc that nourish skin, this exclusive blend of ingredients helps support skin health and function, promoting skin clarity and tone.	Take 2 capsules once per day with a meal.
Instant Lift Gel	Works quickly to make skin feel tighter and firmer.	Spread evenly over entire face until absorbed. Recommended after toning. Wait 2–3 minutes before applying serum and moisturizer.
Cellular Renewal Masque	Enhanced formula with gentle cellular exfoliation visibly improves skin tone and texture, minimizes the appearance of pores, and provides skin with an immediate, radiant glow.	For use 1–2 times per week at night. After cleansing and drying skin, smooth a generous layer of masque over face, avoiding eyelids or getting into eyes. Leave masque on for 5–7 minutes. Slight transient tingling or redness may be experienced and is normal for a masque of this type. Rinse with tepid water, or to speed removal, use a warm washcloth. Pat dry and follow with serum and night crème. SUNBURN ALERT: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterward.
Age-Defying Neck Cream	Visibly firms and tightens the décolleté and neck to smooth the appearance of fine lines and wrinkles.	Apply morning and evening to décolleté and neck using light, sweeping movements until completely absorbed.
Nourishing Body Wash	Intensive moisturizing wash, with vitamins and antioxidants, nourishes skin and enhances radiance and tone.	Apply to wet skin using a washcloth or sponge. Lather and rinse thoroughly.
Firming Body Cream	Luxurious cream supports collagen and elastin to help promote a firmer and smoother look and feel to skin.	Apply to body daily. Massage until completely absorbed.
Reactivating Body Serum	This botanically based, pre-moisturizing body gel absorbs quickly to help replenish skin's moisture barrier.	Use in the morning and evening. Massage liberally all over the body. Follow with Hydrating Body Lotion.
Hydrating Body Lotion	Extremely moisturizing body lotion delivers antioxidants and vitamins to help nurture skin, leaving it soft and hydrated.	Use in the morning and evening, after the Reactivating Body Serum. Massage liberally all over the body.
