

Trail Mix Protein Bars

1 cup almond butter
1 cup agave
6 scoops Arbonne Vanilla Protein Powder (all vegan)
2 cups gluten free oatmeal
1/2 cup craisins
1/2 cup raisins
1/2 cup chopped walnuts
1/2 cup sliced almonds

Melt almond butter to make easier blending.
Combine all ingredients and mix with a beater.
Spread into a 9 x 13 pan and refrigerate.

Why Arbonne Protein?

100% Vegan Certified

Contains pea and rice protein which together yield the best combination of biological value (BV=measure of protein bioavailability)for maximum absorption, net protein utilization (the amount of amino acids converted into protein from the protein source) and indispensable amino acids.

Contains cranberry protein which is antioxidant rich and a complete protein source.

Contains powerful blend of CoQ10 which has tremendous effects on the cardiovascular system.

20 g of protein per serving

Contains no maltodextrin (which is in most protein supplements today.)
Sweetened with all natural stevia and sugar cane (low glycemic natural sweetener rich in minerals/nutrients and commonly used to sweeten natural foods.)

Best protein for a detoxification diet
